RE: Rajerick Knight, 353409, v. State, App. Case No.: 2022-001244

Dear Madam Clerk:

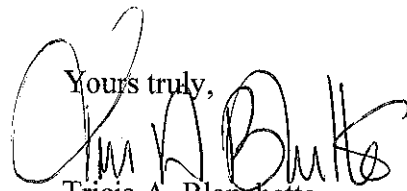

I represent the Petitioner in the above referenced appeal, and the Petition for Writ of Certiorari and Appendix are due to be served tomorrow. I am respectfully requesting a third thirty-day extension.

At this time, I am currently moving my office to a new location. In January, I had an unexpected opportunity come up to move my office to a larger location, and I formally began moving into the new office today. This move has taken time to prepare for over the last month and has caused me to close my office for several days this week and next.

Additionally, this request is made due to my time in attending the South Carolina Bar Convention and preparation for a complex PCR matter that was scheduled on January 23rd in the First Circuit. Over the last thirty days, I have also submitted two time-consuming orders to the Circuit Court, along with making filings in other Circuit Court matters and travelling to Spartanburg for discovery in a Circuit Court matter.

Please know that this request is not made for the purposes of delay, but it is being made due to the above time-consuming matters. Thank you for your consideration in this matter. Please contact me if any additional information is needed.

Yours truly,

Tricia A. Blanchette
Attorney at Law
