Warden:

I called your office earlier today but you were unavailable. I was also unable to get through to any assistant you may have. Upon transfer, I was disconnected after several seconds. I was unable to get through to the Major also. Sgt. Townsend indicated administration was unavailable.

Our law firm has represented the above in the above named case. There is certain legal information the South Carolina Supreme Court is requesting from Mr. Hutchinson in a timely manner.

I am unfamiliar with access or security measures to the law library or research at your facility. However, there is a deadline placed upon Mr. Hutchinson to return information to the Court. We are also sending a letter Certified Mail and Regular US Mail. Please see that Mr. Hutchinson gets this correspondence. Because of this strict timeline, I ask that Mr. Hutchinson be granted whatever access needed to legal research needed to properly respond to the Court. Thank you.

Sincerely,

Attorney Steve Fowler
