

The South Carolina Court of Appeals

The State, Respondent,

v.

Christopher Lamont McCollough, Jr., Appellant.

Appellate Case No. 2022-000309

ORDER

On February 25, 2022, Appellant was convicted of voluntary manslaughter and possession of a weapon during the commission of a violent crime, and sentenced to an aggregate twelve years' imprisonment. He filed this appeal on March 14, 2022. Appellant states he filed a timely motion for reconsideration of his sentence on February 28, 2022, and asks this court to hold this appeal in abeyance pending resolution of that motion.

After careful consideration, we grant Appellant's motion to hold the appeal in abeyance, and remand to the circuit court for the limited purpose of ruling upon the motion for reconsideration. Appellant shall provide this court with status updates every thirty days. Failure to file status updates may result in dismissal of this appeal.
