SC Court of Appeals

THE STATE OF SOUTH CAROLINA
In the Court of Appeals

APPEAL FROM CLARENDON COUNTY
Court of General Sessions

R. Ferrell Cothran, Jr., Circuit Court Judge

Appellate Case No. 2021-000615

The State of South Carolina ,

Respondent,

v.

Lucretia Conyers,

Appellant.

Motion to Reinstate Appeal

Counsel would respectfully request to reinstate the appeal in this case. In support of this motion, counsel would respectfully show the Court the following:

1. The initial briefing was completed in this case on October 10, 2022.
2. Therefore, the Record on Appeal was due to be served on November 9, 2022.
3. Appellant joined a new firm starting November 1, 2022 and inadvertently missed the deadline for service of the Record on Appeal.
4. This lead the case being dismissed on January 24, 2023.
5. Counsel respectfully requests that this Appeal be reinstated. Counsel believes that the failure to properly calendar the deadline for service of the Record on Appeal was most probably due to switching case managements systems when he joined the new firm.
6. Should the case be reopened Counsel would request 3 days from the date of reopening to serve and file the Record on Appeal in this case.

7. Unfortunately, Counsel has currently not been able to contact the attorney for the Respondent concerning this matter. Counsel has reached out to Respondent however, was unable to confirm Respondent's position concerning this matter.

WHEREFORE, the undersigned counsel would respectfully request that the Appeal be reinstated. Additionally, Counsel requests that once the appeal is reinstated he be granted 3 days to serve and file the Record on Appeal in this case.

David,

I am filing a motion to reopen the appeal and to file the paper copies out of time. Does the State take a position on my requests?
