RE: Bagley v. SCDPPPS, 2013-000042

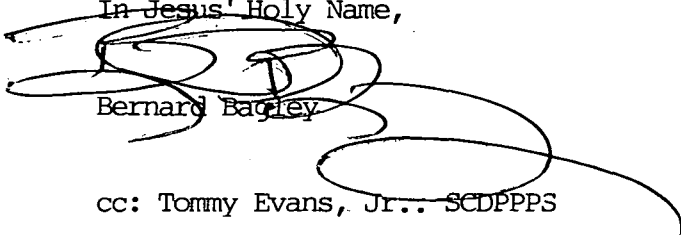

Dear Madam Kitchings:

Enclosed is my record on appeal, designation of matter, along with the certificate of pro se litigant. I am uncomfortable signing my name to a certificate of counsel when I'm not a counsel or an attorney. As such, I'm submitting the same in the form of a certificate of pro se litigant, and hope that it may suffice the deficiency in accordance to SCAR.

Also, please be advise that partial of the filing fee has been submitted via Cooper Trust Fund Account, in the amount of \$50.00, dated 3/15/13, and if you may, please require me an additional 15 days from the 26th of March to have the final fee payment of \$50.00 submitted to the Court, by the 10th of April, 2013, via Cooper Trust Fund. Do note to allow prison officials the time to forward the payment(s) to your office. It's beyond my control in regards to the method in which the checks are mailed out. Be that as it may, I'm able to send proof that the transaction(s) occurred.

Thank you again for considering this matter.

In Jesus' Holy Name,

Bernard Bagley
