

I asked for a Rehearing / Motion To Reinstate

- Rule 221 (b) If a petition for rehearing is received before the remittitur is sent, the remittitur shall not be sent pending disposition of the petition by the court.

I sent a Motion To Reinstate/ Rehearing on Jan 27 ,2023 and the Remittitur was dated for Feb 2, 2023

My " proof of service " was written " motion to reinstate " within 10 days of me receiving the letter on 1/11/ 23 and the letter is dated January 9 , 2023 i sent many copies prior with my Appeals and memos not sure why my second appeal was not even reconsidered when all parties was served within 30 days of the ORDER i printed out form 7 and form 1 SCACR i printed it in the format in which it was written and i sent 4 copies of the papers and mailed copies to the defendants DEC 8 2022 the court order was NOV 22, 2022 which was in 10 day of the ORDER so why would my case be remitted to lower courts when i just explained the harassment , assaulted , and judgemental bias when i just experienced while at this county of clerk courthouse it seems i am being discriminated against once again because i asked that my appeal go up not be pushed back down into judicial bias and impartial trial due to them being a defendant in my cases which is pending in federal court which they are aware of and why i have been receiving harassment and assaults due to my pending cases i will not continue to be subjected to an impartial trial due to the conflicts of interest within the judicial system and yall all have a financial interest in the cases which is why the HUGE conflict of interest is being ignored and im not getting any justice as a result this is judicial misconduct !

RULE 221
REHEARING AND REMITTITUR

(a) Rehearing. Petitions for rehearing must be actually received by the appellate court no later than fifteen (15) days after the filing of the opinion, order, judgment, or decree of the court. A petition for rehearing shall be in accordance with Rule 240, and shall state with particularity the points supposed to have been overlooked or misapprehended by the court. No return to a petition for rehearing may be filed unless requested by the appellate court. Ordinarily, however, rehearing will not be granted in the absence of such a request. No petition for rehearing shall be allowed from an order denying a petition for a writ of certiorari under Rule 242, SCACR, or declining to entertain a matter under Rule 245, SCACR.

(b) Remittitur. The remittitur shall contain a copy of the judgment of the appellate court, shall be sealed with the seal and signed by the clerk of the court, and unless otherwise ordered by the court shall not be sent to the lower court or administrative tribunal until fifteen (15) days have elapsed (the day of filing being excluded) since the filing of the opinion, order, judgment, or decree of the court finally disposing of the appeal. If a petition for rehearing is received before the remittitur is sent, the remittitur shall not be sent pending disposition of the petition by the court. Where a petition for rehearing has been denied, the Court of Appeals shall not send the remittitur to the lower court or administrative tribunal until the time to petition for a writ of certiorari under Rule 242(c) has expired. If a petition for writ of certiorari is filed, the Court of Appeals shall not send the remittitur until notified that the petition has been denied. If the writ is granted by the Supreme Court, the Court of Appeals shall not send the remittitur.

(c) Rehearing of Motions. The appellate court will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal.

Last amended by Order dated April 29, 2020.

RULE 260
DISMISSAL AND REINSTATEMENT

(a) Involuntary Dismissal and Reinstatement. Whenever it appears that an appellant or a petitioner has failed to comply with the requirements of these Rules, the clerk shall issue an order of dismissal, which shall have the same force and effect as an order of the appellate court. A case shall not be reinstated except by leave of the court, upon good cause shown, after notice to all parties. The clerk shall remit the case to the lower court or administrative tribunal in accordance with Rule 221 unless a motion to reinstate the appeal has been actually received by the court within fifteen (15) days of filing of the order of dismissal (the day of filing being excluded).

(b) Agreed Dismissal. If the parties to an appeal or other proceeding shall sign and file with the clerk of the appellate court an agreement that the proceeding be dismissed, the appellate court may enter an order of dismissal. The agreement may contain a provision altering the costs to be assessed under Rule 222 and/or other settlement terms subject to the provisions of Rule 261. An agreement that the proceeding be dismissed need not be in the form of a motion unless the parties request that the appellate court alter the costs assessed; approve a settlement agreement; modify the requirements of an Appellate Court Rule; or vacate a prior order, opinion, or judgment.

(c) Withdrawal. An appeal or other proceeding may be dismissed on motion of the appellant or petitioner upon such terms as may be fixed by the court.

This is Judicial bias and Misconduct Greenville County Clerk is is Defendants in my Civil Conspiracy case which is 6-22-2946-HMH-KFM Federal cases which the County Clerk has been aware of since 8/2/22 when i filed a Civil Conspiracy Case with them included where i was Harassed/ Assaulted and kidnapped on 8/8/22 for asking to speak to a supervisor regarding the filing of my case and i was harassed upon arrival sept 1st where i found out while talking to a supervisor on sept 1 st 2022 and told to not return until my court date which is why i did not return back downtown until Oct 21 which was when my general session was held If i'm going to be held to the same extent as lawyers to file my paperwork and give defendants their proof of service in timely manner then i need to be treated with respect and NOT harassed and abused , assaulted , discriminated against while trying to file my work the defense lawyers for the defendants did not have to endure the same things i did and despite me being a victim they treated me as a criminal and used the law as a wepon against me also judges lied to try tio stop me from filing a informa paperis they told me i was NOT indigent on 8/8/22 but sent a letter from this same courthouse on 11/23/22 i received a paper telling me to get a PUBLIC DEFENDER BECAUSE I WAS INDEGENT i will not play any of your games this is hot potato getting passed around as if ANY of you are actually upholding the law which has intentionally failed me due to conflict of intrest the ruling on OCT 3rd to DISMISS a case when i told the judge i was not aware of my hearing held on june 10 2020 at carolina behavioral center and that i was called racial slurs and not able to talk to my lawyer or was aware i even had a lawyer representing me in my absence and my child was taken out of my custody and my family was told that she would be put in foster care dur to my right to due process being waiver in this conspiracy because my family was aware that i was leaving my child in their custody but since i had NO ONE ADVOCATING ON MY BEHALF IN COURT since i NEVER MET my lawyer ELISE they removed my child and tormented me 33 days straight i had no idea or a hearing or court date and Greenville County Clerk are definitely CONFLICTS OF INTEREST which have already made a ruling to DISMISS even though all my rights to due process was waived this was OBVIOUSLY bias misconduct on her behalf just like telling me i didn't qualify for in forma pauperis which was false and for the court to not take into consideration that i was harassed and assaulted 8/8/22 for my petition say alot about sc court of appeals this is NOT an impartial judgment and is bias i demand justice in this matter that is obvious

11
Anyone who is in agreeance with the judge's bias ruling on Oct 3 2022 that a person should have a court hearing without their acknowledgement or a lawyer that communicated their wishes is not competent to be a lawyer or Judge because the whole court system is built around this fact of DUE PROCESS which i didn't receive on 6/10/2020 which SCDSS and R. Castriotta nd Carolina Department of Social Services did in fact conspire against me so her judgment did NOT reflect logic or common sense to uphold the law but judicial bias due to conflict of interest due to the lawsuit filed on on 8/8/22 and this hearing was DISMISSED 10/03/22 which is 2 months after they was aware of them being a defendant in the lawsuit and refused to rescue herself due to the conflict of interest which caused my cases to be dismissed prematurely due to this bias and impartial ruling i do not want my defendants oversee my cases and give me another bias ruling

And i would like to thank the court for insuring that the defendants 5 day late papers due to them kidnapping and threatening and insulting me and telling me i would be arrested if i came back before my courtdat e of general session on 10/ 21 / 22 their rights are being upheld but my right to DUE process that was taken from me on 2 occasions one was for 33 days straight as i was tormented and ripped away from my daughter and called racial slurs and denied disability and cannot work and haven't worked in 2 years due to the trauma added in this mental hospital is this what you call JUSTICE cause i see racial discrimination !

R Castriotta And The Carolina Center For Behavioral Health

- Didn't have any acknowledgement of my court Date 6/10/2020 its was held in my absence and waived my right to due process
- Didn't have to attend court in 2014 was unaware of court in a mental hospital because i was a minor 16 years old first hospitalization and didn't have to deal with court just stayed 4 days and came home despite being very violent when needles arose and other then that i went to sleep and gained sanity once i rested a couple days which is what i assumed would happen during this hospitalization
- Right to Appeal within 15 days 6/25/2020(was still being held at hospital against will)
- I had signs of insomnia NOT Self harm or trying harm myself or anyone else
- Didn't know when i would go home fear for my Life
- Felt i was being held hostage / Retaliation slip & Fall (woke up to ems saying she could've really sued us and stuck a needle in my back and thats when i became combative as noted in medical records)
- I thought i was going to be in the hospital for 3 days they Held me 33 days without notice of court date , tormented by staff by over medication and slamming of doors (all night so i couldn't sleep) & being called racial slurs through calls being clicked over as i was trying to call grandma,family members
- They told my family members i wasn't there would give them the ID number required to contact me
- No one told me treatment plan or court order never knew we had to actually attend a hearing because i didn't in 2014 because i was under the age of 18
- Dr Castriotta & staff was making all decisions i had No RIGHTS OR VOICE I WAS SCRIPPED of all constitutional rights & was terrified which was added as symptoms to psychosis rather then in fear and wanting to go home to daughter and family
- Didn't meet lawyer(Elterrice Farley affirmed she never met me when i called her)
- Met DSS to sign child away didn't have a choice i WAS FORCED TO SIGN HER OVER
- Couldn't sign myself out hospital or Attend Court Date
- I was scared of the Dr who wouldn't let me go home i told him i was having nightmares (which was of him) he prescribed me meds for them
- My mother and daughter was there they me told i would be there 72 hrs or 3 days i was only sleep deprived which is what i told my mother to take me there for sleep medicine i told mother to bring me to hospital after them agreeing to take care of my daughter while i get treatment i placed my daughter in the care of my mother and grandmother for what i thought would be 3 days turned to 33 days away from my life , daughter , and family

3²
15

- Dr Castriotta failed to report mental state status got better after 3 days which i was functioning better and sleeping regularly despite the combative altercation i didn't know where i was and felt kidnapped because the never told me they were moving me after giving me meds at saint francis eastside i went to sleep soon as i got to room & because they woke me up by sticking me with needles (i was able to return home after 4 days in 2014 despite fighting symptoms where a lot worse and also i was hospitalized in 2022 and they still let me out and notified me of my court date and i was released before my court date which was the 8/22/22 i was admitted there 8/15/2022 and my court day was scheduled on 8/24/22 there was NO logical reason to keep someone in a facility for 33 days that was no harm to myself he was trying to cover for his negligence (over medicating , and false imprisonment) he knew i was fully functional which is why i wasn't notified of court date or able to meet lawyer because he knew
- He didn't put me on meds i took in the past he experimented new medications on me which was unethical and they made me physically sick and worsened my mental state and aided in the deterioration of both i was swollen from mood stabilizer (which happened again in hospital 8/15/22 admission they had to discontinue those meds and i was reacting negatively to anxiety and sleep meds like shortness of breath , weight gain , blurred vision ,ect i have discontinue all meds GAF score was 60 after first hospitalization and was -13 after second hospitalization
- His motive was NOT to help me but to hurt me i was traumatized after hospitalization , i lost all my friends and some family he ruined my life and reputation left me broken even more i was addicted to meds this caused strife in my family because they were made to uphold a court order i knew NOTHING about due to not being able to see lawyer or attend trial they took my daughter from me and wouldn't allow me to take her to get a simple ice - cream cone alone i cried every night i couldn't bring my child home with me had to leave her with my sister this was emotional distress to the highest degree
- I Stated in interview with hospital after release from carolina behavioral center ' I had to follow guidelines of the hospital had me follow meaning Dr.castriotta and staff " i was traumatized in them 33 days and was in fear also my roommate stated to me she was rapped i feared the same would happen to me
- I use to could keep a job for at least a month or two at the most i have had 30 jobs since 2014 which is why i applied for disability where Dr Castriotta and other facilities stated in paperwork that i am able to adjust to work despite my mental health and physical health (falling down 8-10 ft of stairs causing back injury still to this day and ptsd and if there was NOTHING wrong with me why did he keep me in there 33 days straight)

4
16

- I ask that they ALL be held accountable for the things that happened and is still happening in this facility to violate and co-sign on behalf of dr castriotta and the other people abusing their power taking advantage of people that is mentally ill and seeking help I needed to be protected from the ones i seeked help from and i am still and getting retaliated against and my voice is still being shut down and silenced they have also dismissed 3 of my cases due to me NOT having money to pay for them and the dismissed my fee waiver this is breaking bonds and oaths and judicial corruption and also they allowed dr castriotta , csbh and scdss to MOTION DISMISS but denied all my fee waivers and trying to stop justice

- If i was mentally incompetent then my penmanship would've been invalid when it came to signing my child over because i couldn't legally do that due to them saying i was mentally incompetent if my penmanship was legal then i would have been able to sign myself out of the mental hospital , meet my lawyer , have notice of and attend my own trial
- I met DSS caseworkers to sign child over but wasn't able to meet lawyer so i could have a voice (I NEVER stated to SUSAN DURHAM was trying to kill myself i wasnt in there for trying to kill myself or suicidal ideations i was only there for sleep deprivation just like in 2014 where i was hospitalized for 4 days and made a decent recovery after sleeping 4 days
 - I only seen medical examiner via screen and my mother , Rn's and the police that transported me 5/31/20 and i went to sleep when i got to my room at the hospital due to the medications given to me at the Saint Francis Eastside I NEVER seen SUSAN DURHAM she just added her statement to my records recently stating that she mad this statement 5/31/20 which is a LIE because i just pulled ALL my records and DID NOT never see a statement of anyone from DSS making these statements regarding my mental health at all
 - Waived my right to due process removed my child from my custody without me having knowledge of the hearing held in my absence and they didn't know the fact that i had a verbal agreement with my grandmother before i went in for treatment due to them NOT allowing me to talk to my lawyer and having some to properly advocate on my behalf to state my wishes and concerns

The judge made an **error of law**

22

An "error of law" generally means that the judge in your case applied the wrong rule or "legal standard" to the facts of your case. This can occur if a trial court did not follow either the statute or case law in your state that is supposed to apply in your case's circumstances.

Judicial misconduct occurs when a judge acts in ways that are considered unethical or otherwise violate the judge's obligations of impartial conduct.

☐ **What are 3 rights you have after the trial?**

The Sixth Amendment guarantees the rights of criminal defendants, including the right to a public trial without unnecessary delay, the right to a lawyer, the right to an impartial jury, and the right to know who your accusers are and the nature of the charges and evidence against you.

- ☐ Due process is designed to ensure fairness in the criminal justice system. Without due process, **individuals could be detained and deprived of their freedom and life without just cause.** If a criminal defendant is deprived of their civil rights, they can challenge the state on those grounds.

☐ **What does violation of due process mean?**

Due process balances the power of law of the land and protects the individual person from it. **When a government harms a person without following the exact course of the law,** this constitutes a due process violation, which offends the rule of law.

☐ **Can you sue for violation of 14th Amendment rights?**

United States law allows an individual who believes that his or her constitutional rights have been violated to bring a civil action against the government to recover the damages sustained as a result of that violation.

☐ What are the three rights protected under the due process clause?

23

No person shall be deprived of **life, liberty, or property** without due process of law, nor shall any person be denied the equal protection of the laws.

☐ Can due process be denied?

Citizens may also be entitled to have the government observe or offer fair procedures, whether or not those procedures have been provided for in the law on the basis of which it is acting. **Action denying the process that is "due" would be unconstitutional.**
