Dear Ms. Hunter,

Please be advised that your filing, which was apparently pushed through the front door of the Supreme Court Building, was forwarded to the Court of Appeals. Going forward, please do not push documents through the door of the Supreme Court Building as the Court cannot ensure that the filings will be located by the Clerk's Office staff and directed to the appropriate individual(s).

Sincerely,
Patricia Howard
Clerk, Supreme Court

Bismillah...

Dear Clerks of Court:

Attached is a photo of the envelope with money order enclosed for a motion fee for Case No. 2022-001352.

Ms. Katelyn did not reach Officer Allen in time to let her know I was approaching the gate prior to 5:00 p.m. I arrived at 4:57 p.m. and observed the gate to the SCCOA court entrance locked and Officer Allen walking back.

Thus, I went to place the envelope in the Supreme Court drop box. Finding none; I left it at the security entrance.

I cannot return to Columbia this week as I am making arrangements for my Dad's memorial service. Thus, I would greatly appreciate it if the Supreme Court Clerk of Court could pouch this over to the Appellate Clerk of Court.

Respectfully,

Regina M. Hunter El
