**Re: Deutsche Bank National Trust Co. v. Estate of Houck
Appellate Case No. 2021-001292**

Dear Ms. Howard:

The petitioners, my clients, recently made a motion for an extension in the above-referenced case of our time to serve and file our reply brief. I write because an additional ground has developed that makes obtaining an extension more important than it was previously.

I am actually recovering rather quickly from covid and am cleared to return to the office as of today. The new reason that has developed for an extension of time to complete the reply brief is because I will be unexpectedly traveling to Florida. My father lives there, and he has fallen and broken his hip. While in the hospital for that, he has also been diagnosed with pneumonia. I need to go see him, and that travel time will cut into the time I have available to work on this brief.

Thank you for your attention in this matter.

With kind regards, I am,

Very truly yours,
HARRISON, RADEKER & SMITH, P.A.
