Please provide a transcript of the Case regarding the Court's decision regarding our motion to stay. Further, the appellants are inquiring whether the Court's denial of our stay motion closes appellants' appeal directing the Equity Court to keep active the forced sale filing in that court.

Thanks.

Re:
Appellate Case No. 2022-001-001591

Hello,

Please advise on our appeal. Is it closed or the court will hold a hearing on our appeal? To get the forced action the family requested, must a filing be made at the Common Pleas again?

Thanks.
