Subject: Carolina Water Service, Inc. v. South Carolina Office of Regulatory Staff, Forty Love Homeowners' Association and Midlands Utility - Appellate Case No. 2012-208126 - Audio

Ms. Goodale:

As you will recall, the oral argument in the above-captioned case was a "Class Action" case argued on April 3, 2013. I have been told that it is possible to order the audio from the oral arguments that were presented. I would like to do that at this time. If you all could invoice me for the cost, I would greatly appreciate it.

Thank you for your consideration in this matter.

Sincerely,

David Butler
