Ms. Reed:

The Appellate Division of SCCID had already ordered a transcript of the PCR hearing in this matter before I was hired to perfect this PCR appeal. Since they already have ordered the record of that proceeding on his behalf, I am now ordering a digital copy. Attached you will find my SCCA 800 form ordering this transcript. Just to be clear, SCCID did not provide me a copy of this record, but I understand that you have already been paid for the original record provided to SCCID. I would greatly appreciate you sending me an invoice for the cost of a digital copy ASAP so that I can get you paid immediately. I need this digital copy quickly as my time for perfecting this appeal is ticking. Thank you very much.
