Good afternoon Ms. Miller,
You do not have to rename or amend it. You may just redact what is needed. Truthfully it is what ever is easiest for you. No worries just wanted to make sure your office was aware of the issue.
Thank you,

Good Afternoon Ms. Clark, Tommy said that he received an email indicating that we failed to redact the Appendix so it was marked as non-public. Do I need to redact and resubmit? If so, would that just be in place of the first on or have a new name "Amended Appendix"?

I am sorry about that!
