Received. I will mail all parties a copy of the attached filing with the letter that I drafted on last night to send you. The letter that I drafted on last night to send you, is very similar to the one that I e-mailed to you on yesterday afternoon.

. Also, I drafted up a different letter on yesterday from the one that I sent to you. It pretty much says the same thing.

Re: Appellate Case No. 2022-001582

Good Afternoon Ms. Caitlyn,

Per our conversation on today, I would e-mail you on today to confirm the conversation that we had on today. The conversation was concerning a letter, dated February 6, 2023, that I received from our SC Ct. of Appeals. Per our conversation, you said I did not have to file any motions, in response to the February 6, 2023 letter, to keep my case from being dismissed since I have not received the transcript from Mr. Michael Watkins (Court Reporter). Additionally, you said I needed to send the court a letter informing the court that I had not received the transcript (trial transcript). I was informed by you to copy our South Carolina Ct. Administration office, Cherokee County School District Attorneys, and the Court Reporter

(Mr. Watkins) on the letter that I will be sending you.

Also, per our conversation, you were informed that I mailed Michael Watkins a certified cashiers check for \$1530 on December 23, 2022 by certified mail. Mr. Michael Watkins did not receive my cashiers check until January 12, 2023. If you have any questions, please feel free to contact me.
