v.

Appellant,

FT Acquisitions, LLC; Commercial Food
Service Repair, Inc.; and Kurt Herwald,

Respondents.

Motion for extension of time to file Initial Brief and Designation of Matters

Comes now Appellant Richard D. White (“Appellant”) respectfully moves this Court for an Order granting him ability to serve and file his Initial Brief and Designation of Matters outside the filing deadline as set forth by Rule 210 of the South Carolina Appellate Court Rules, and in support of this Motion, Appellant states and respectfully shows this Court the following:

1. Appellant received the trial transcript from the court reporter on February 4, 2023, making his filing deadline for his Initial Brief and Designation of Matters due on March 6, 2023.

2. Due to the numerous issues that will need to be appealed and counsel's busy schedule, Appellant needs additional time to file its Initial Brief and Designation of Matters.
3. Appellant has received consent from opposing counsel for an additional thirty (30) days for the filing of Appellant's Initial Brief and Designation of Matters.
4. This is Appellant's first request for an extension of time.
5. For these reasons above mentioned, Appellant is requesting an additional thirty (30) days to file his Initial Brief and Designation of Matters, which would allow for a deadline of April 5, 2023 to file the Initial Record on Appeal and Designation of Matters for Appellant.

Respectfully submitted,
February 20, 2023
