I went to (PCR) Court on January 9, 2012 in front of Judge Ernest Kinard He had granted me a new trial and the state appeal. I wanted to no did the state file there Petition or ask the court for a extension. and if they did I will like a copy of the extension because I still haven't receive my (PCR) transcript or the state Petition. So that's why I'm writing you to see if they ask for a extension.
