Appellant

v.

.C. Department of Employment And Workforce

and The Boeing Co.

Respondent's

On or about 01/23/2023 I sent a motion for an extension to all the respondents. I never received a response. The court has worked well with me due to my lack of knowledge of paperwork. I am one person with no help no computer full of forms or laws to refer back to.

My original proof of Service wasn't correct so before I went any further sent a corrected one in to get approval. It was ok so then I did my brief and designation of matter. I see that both have been filed. My brief is short and to the point. If the court believes I need to correct anything. I

will leave that up to the court to guide me. DEW was late on paperwork and I had no problem at all. I am more than willing to work with council. I also needed an extension. It was done through E-Mail rather than paperwork. My opinion is that people working together to solve a simple problem and move forward is a good thing. I respectfully ask the court to not dismiss my appeal. I would like to move forward with the appeal.

SERVE THE RECORD ON APPEAL**

MOTION GRANTED

Shirley C. Robinson 8/29/2022

Counsel for the Respondent, the South Carolina Department of Employment and Workforce (the Department) hereby moves for an extension of time for filing the Record on Appeal, to August 29, 2022. In support therefore the Department respectfully shows:

The extension is respectfully requested because the Notice of Assignment was not received by the Department until August 16, 2022. The Court responded the same day and provided the Notice of Assignment for the above captioned matter. On August 17, 2022, the case was internally assigned to the undersigned counsel. The undersigned counsel was out of the office on August 17, 2022. On August 18, 2022, the undersigned counsel received an email from the Court directing the Record on Appeal be filed by August 29, 2022, and on August 19, 2022, received an email from the Court directing the undersigned counsel to file a formal motion for extension.
