Because I've never played no one in your face but there's so many bitches you played in my face. I am crazy because from the moment I married you I've been in love with you. And being crazy in love makes you be extremely insane. I would never hurt you ever again but you're breaking me down daily all cause u can't choose me and only me...

I hate trying to make you happy because the new ones don't fit like those and it took me almost 20 min to get a good pic. I wish you would grow up. But don't worry I won't try nothing like that pic again.
