Re: J. Doe v. Design Review Board (2)  
Appellate Case No. 2023-000296

Dear Ms. Holmes:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and each deficiency must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed:

- The order(s) and/or judgment(s) challenged on appeal are not complete. You must file the full copies of the order(s) under appeal.
- The notice of appeal fails to include a statement of when you received written notice of entry of the order or judgment from which this appeal is taken.
- The notice of appeal states that you wish to appeal the lower court's order dated January 23, 2023 as well as other orders. You must specifically list any other orders that you wish to appeal in your notice of appeal.

Very truly yours,

A handwritten signature in blue ink that reads "Catherine Hannisa, deputy".

CLERK
