Good morning. We represent the Respondent and have not yet received the transcript of the Common Pleas proceedings being appealed, or even proof that the transcript has been ordered, as is required under Rule 207 SCACR. The Notice of Appeal was served much longer than 10 days ago, so proof of ordering the transcript from the reporter should have been provided by now.

The Respondent does not need to formally oppose this motion, but we are unsure how the Court can handle a request for an extension to a deadline that is not even known yet.

Dear Counsel:

The Court has received your filing. A stamped copy is attached for your records.

This will be considered the original. No other copies are needed, however, this filing will require a filing fee. See *RE: Methods of Electronic Filing and Service Under Rule 262 of the South Carolina Appellate Court Rules* (S.C. Sup. Ct. Order dated August 25, 2021) ("If a filing fee is required...a check or money order for the fee must be mailed or delivered to the appellate court within five (5) days of the filing; the case name and the Appellate Case Number, if known, should be listed on the check or money order.")

Thank you.
