Re: Mosi Bundu V: Maria Youmans
Appellate Case No. 2022-001454

I/ Appellant Litigant am writing a request or motion for a continuance after receiving transcripts regarding this case and satisfying deficiencies regarding ordering the transcripts outside of the time to request them. I am requesting a continuance of my case to allow me to obtain an attorney to represent me. I understand that I have a right to counsel under the Sixth Amendment of the United States Constitution and under South Carolina law. However, due to having an attorney abandon me early in this case and current financial restraints, I have been unable to retain an attorney. I talked with another attorney about my case after being abandoned by my previous counsel and could not get them to take this case. I am currently reaching out to legal aid. I am respectfully seeking a continuance of maximum number of days allowed under the Sixth Amendment and rule 21b. I believe that having an attorney will allow me to present my case more effectively and ensure that my rights are protected. I am aware that failure to retain an attorney may result in my waiving my right to counsel. However, I am actively seeking an attorney and would appreciate the opportunity to do so before proceeding with the case.

Sincerely

Mosi Bundu
