Re: LB PARK, LLC v. San Juan Holdings, Brett Osborne trustee, et al.;  
C.A. No.: 2020-CP-46-00549;  
Appellate Case No.: 2022-001650.

Ms. Kitchings:

On March 3, 2023 I filed a motion for the full court to hear a single judge's denial of a supersedeas. I now understand that Chief Judge Williams denied granting me a supersedeas because although I will suffer irreparable harm if the lower court's order is not stayed, my appeal will not become moot and a stay is not needed to preserve the jurisdiction of the court. Accordingly, I no longer need the full court to revisit that issue. Can you please withdraw that motion and use the filing fee I paid to cover a new motion that I filed today, titled "Expedited Motion to Reduce or Eliminate Appeal Bond".
