SC Court of Appeals

I'm writing because I need immediate to stop the 24 hour eviction. I have 5 kids including a newborn. I'm actively working with SC stay plus + they are trying to pay my arrears. I just need to stay because I don't have any income as I'm maternity leave non paid. I'm using all my resources + supplies on my kids. I was not made notice of the court hearing for the original appeal as it was sent through mail + I did not receive it. Please I have 5 kids including a newborn + a sick child with a kidney condition. I'm also seeking to move a \$ for SC stay plus pay past balance. I have been trying please I just need another month or 2.
