Ladies and Gentlemen:

Please find attached for filing Appellant's Petition for Rehearing in Kincannon v. Griffith, Appellate Case No. 2019-001501. I understand the filing fee for this petition is \$50 and I have submitted that fee by first class mail this evening, which I expect the Court will receive in the next few days.

Please advise if you have any questions. I am copying opposing counsel on this communication and have also served opposing counsel with this filing by first class mail.

With kindest regards, I remain,
Very truly yours,
J. Todd Kincannon
