Re: Rosevelt Doctor v. State of SC  
Appellate Case No. 2022-000679

Dear Ms. Howard:

The Petition for Writ of Certiorari and Appendix in the above captioned Post-Conviction Relief Hearing is due today. I believe I had already gathered all the materials necessary for the Appendix, however I have not yet been able to confirm that I have all the exhibits from the lower court proceedings which may be necessary for this PCR appeal. Unfortunately, I am scheduled to be in Beaufort the remainder of this week for meetings and interviews pertaining to a murder trial that is scheduled to begin. Tuesday, May 30, 2023. For this reason, I am now respectfully requesting a third extension of time in which to prepare, serve and file the Appendix and Petition for Writ of Certiorari.

I attach a copy of my Petition requesting this extension as well as a COS confirming that this request has been properly served upon opposing counsel.

Sincerely,

S/ *Tara D. Shurling*
