From: Carolyn Tolbert Smith - Pro Se

Appellant Carolyn T. Smith was notified that the SC Appeals Court received my payments per my Motion For Extension of time. Appellant never received a reply. Appellant is working exceptionally hard to Submit: Designation of Matter + Rule on Appeal as well as finding an attorney willing to take any case started by another attorney. I solicit some assistance from an attorney with no intention of signing on. So I continue to struggle with following all SC Court of Appeals' rules. I, then, continue to beg the continued indulgence of the court with much thanks as I journey forward toward suppressing an egregious injustice against Appellant.
