

The South Carolina Court of Appeals

Rosen Hagood, LLC, Respondent/Appellant,

v.

Albert T. Henson, Jr., Appellant/Respondent.

Appellate Case No. 2022-001070

ORDER

After careful consideration, Respondent/Appellant's motion to strike Appellant/Respondent's designation of matter and initial respondent's brief, filed January 3, 2023, is granted. *See* Rule 210(c), SCACR "The Record shall not . . . include matter which was not presented to the lower court or tribunal."). Within twenty days of the date of this order, Appellant/Respondent shall file an amended designation of matter and initial respondent's brief that includes and/or references only the portions of his deposition transcript which were presented to the lower court.

In light of this ruling, this court declines to act upon Appellant/Respondent's motion to file his initial respondent's brief out of time.
