STATEMENT OF FACTS

Plaintiff filed eviction documents against defendants on August 20, 2018 alleging: 1.

Defendants failed to pay rent when due or demanded in the amount\$. (See Rule to Vacate or Show Cause) when there was no agreement written or oral. 2. The terms of your tenancy or occupancy have ended. There never was a tenancy as described in URLT Act,"this Act involves rental agreements.

On September 17, 2018 a judgment was entered through issuance of an order to evict. Moving party contends the Court should vacate the judgment on the grounds of extraordinary circumstances in the declaration of defendants and exhibits attached hereto filed and served concurrent herewith and incorporated herein by reference. This motion is made pursuant to Federal Rules of Civil Procedure Rule 60(b)6.

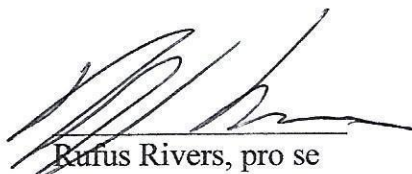

After the Circuit Court's decision on Defendants' appeal February 24, 2020, dismissing it and remanding, Defendants appealed to the Court of Appeals. Defendants immediately on March 2, 2020(See notice of appeal Court of Appeals) filed and delivered their Notice of Appeal to the Court of Appeals with the Clerk of Court in Orangeburg County and delivered a filed copy to the magistrate. Defendants attempted to continue their rental bond payments and the magistrate's staff refused to accept either stating the matter was closed and the notice did not state why Defendants were appealing. On March 11, 2018 a notice of eviction was delivered to defendants. On March 12, 2018 Defendants traveled to the Court of Appeals and filed their Notice of Appeal and hand delivered it to the magistrate's office and was told that it was accepted and would advise about the payments. Upon returning home, defendants received a telephone call from the magistrate's office agreeing to accept the payments and allowed Defendants until March 18, 2018 to make the payment. At this point Judge Beatty's order was in effect. Defendants are retired senior citizens and never missed a payment. (See attached magistrate's record search). After reaching out to the magistrate's office to make arrangements to make the payment at a later date, the magistrate's staff began resisting by sending emails.(See attached emails). Defendants received a Rule to Vacate with a hearing scheduled for August 24, 2021

during the moratorium which clearly states the CDC prohibited “any action to effectuate an eviction for nonpayment of rent...” At the hearing there was no discussion of motion to vacate, only discussion of defendants' past due payments and eviction which the magistrate's court was responsible for the delinquency.(See Defendants' affidavit). During the hearing defendants provided their CDC Eviction Protection Certification where the magistrate refused to accept or make a decision. Defendant was coerced into directing rental bond payments directly to Plaintiff's attorney and agreeing to apply for assistance from South Carolina Stay without any means of verifying that Defendants owed rent. Plaintiff never completed the application. A follow-up hearing was scheduled for updating the court on the status of the assistance. On October 26, 2021 the follow-up hearing was held absent Defendants who arrived late and was not permitted to enter the courtroom. Defendant was told he could obtain a recording later that day. After obtaining audio of the hearing Defendants received an email with the details of the hearing. Plaintiff made a unilateral motion to dismiss the plaintiff's 2nd attempt to evict in which there was no 2nd attempt on record. (See attached index, magistrate motion to Dismiss and Notice of eviction). If it was, it would have been in violation of CDC protections.

Due to extraordinary circumstances after Defendants' appeal, defendants were mentally and emotionally, as pro se litigants, restricted from effectively litigating their appeal. This court has the authority to vacate the lower court's judgment for the foregoing reasons.

Under penalty of perjury Defendants declare all of the information provided is true and accurate to their knowledge.

Good Afternoon,

As follow up from this afternoon's motion hearing in the above-referenced case, this email serves as clarification of the court's interpretation of the Plaintiff's Motion to Dismiss and the court's ruling thereof. In absence of Defendants Rufus and Merle Rivers, Attorney McDaniel on behalf of Plaintiff Smith, motioned the court for dismissal of action on the plaintiff's case. Attorney McDaniel stated the plaintiff's request not to pursue was based on payment by the defendant to her (for plaintiff) for September and October 2021 rent, and based on veracious beliefs that defendants have or will qualify for SC Stay Rental Assistance Funds.

The plaintiff's Motion to Dismiss was granted with the understanding that plaintiff must refile case if future violation occurs.

The court's ruling is therefore amended and clarified to reflect the following:

- There has been only one case filed in Magistrate Court for an eviction action against the defendants (Case No.# 2018CV3810702780)
- Two attempts have been made by the plaintiff to evict the defendants
- The first attempt at eviction was appealed by the defendants
- Defendants posted appeal bond and made payments for a portion of time per court instructions
- Magistrate Court is holding in escrow, a specific sum as collected in appeal bond payments for forwarding to the plaintiff, pending the outcome of the appeal
- Subsequently, defendants payments per court instructions became non-existent
- Defendant was informed to contact the plaintiff regarding payments
- A second attempt at eviction was pursued by plaintiff and halted pursuant to the CDC Eviction Halt Declaration
- Eviction proceedings resumed after expiration of CDC Eviction Halt Declaration
- In August 2021, Plaintiff's attorney and Defendant made agreement to pay future rent payments to the plaintiff and defendant will seek additional funds from rental assistance agency or other resources to satisfy past unpaid rent
- **October 2021, Plaintiff's Motion to Dismiss is granted by the court and intent will be applied toward the termination of plaintiff's request to proceed with eviction under 2nd request for ejection. It is the court's understanding that plaintiff no longer desires to pursue eviction under the 2nd attempt for ejection in this case**
- Original eviction case (2018CV3810702780) in it's entirety will not be dismissed in Magistrate's Court and is considered to be pending until the decision of the Appellate Court is

APPENDIX

published

- Plaintiff will inform the court of the final Appellate Court's decision
- Previous court instructions to the defendant remain in effect for payment of a monthly appeal bond/rental payments
- Pursuant to agreement between the plaintiff and defendants, monthly payments in the amount of \$700 should be made to the plaintiff via attorney
- Defendant's future violation of payment terms can and/or will result in plaintiff's request for eviction and court ordered ejection in this pending case
- This case is still pending in Magistrate's Court awaiting the outcome of the Appellate Court's decision

IT IS SO ORDERED.

SC Court of Appeals

Affidavit To The Court Of Appeals

STATE OF SOUTH CAROLINA
COUNTY OF ORANGEBURG

The undersigned, RUFUS AND MERLE RIVERS, being duly sworn, hereby deposit and says:

1. We are over the age of 18 and are residents of the State of South Carolina. We have personal knowledge of the facts herein, and, if called as a witness, could testify completely thereon.

2. We suffer no legal disabilities and have personal knowledge of the facts set forth below.

3. We currently have an appeal pending in the Court of Appeals with an appeal bond of \$700.00 per month being paid in to escrow.

4. The appeal alleges the Magistrate lacked subject matter jurisdiction because there was legal action pending in circuit court when the plaintiff filed eviction papers and had already been served on August 14, 2018.(see attached)

5. Magistrate Grant also ordered us to pay rental payments of \$700.00 per month when there was no landlord-tenant agreement and the plaintiff did not ask for rental payments. (see attached).

6. Magistrate Grant's staff refused our payment when we visited the office to provide a notice of appeal on March 2, 2020 without any valid explanation other than the notice did not state a reason for the appeal.

7. It is our belief that we are being treated unfairly and that the magistrate and her staff has taken this matter personally because of the appeal.

8. On March 11, 2020 the sheriff came to evict us and allowed us to remain to another date.

9. We personally visited the Court of appeals on March 12, 2020 and paid the filing fee and obtained a filed copy and provided it to the magistrate's office and was told they would get back with us. We received a call from the magistrate's office, allowing us until March 18, 2020 to make the rental payment.

10. On March 17, 2020, after obtaining a copy of Judge Beatty's order, we emailed the magistrate's court a correspondence requesting an extention. (see attached)

11. We received a reply from Sylvia Edwards stating that our request was denied. (See attached) We also received a reply from Lisa Proveaux explaining when the payments were due. (See attached)

12. On May 1, 2020, we visited the magistrate's office to bring the payments current in the amount

FILED FOR RECORD

CLERK OF COURT
ORANGEBURG SC

of \$1400.00 and again the staff told us that they were instructed not to accept the payment by Judge Grant and to return on May 4, 2020 without any reason for returning. (see attached)

13. On May 4, 2020, we visited the magistrate's office as instructed. After being told to have a seat, Rufus Rivers waited for almost 30 minutes. He then approached the receptionist to ask how much longer and was told they could not accept the payment and to contact his lawyer knowing we are pro se litigants.

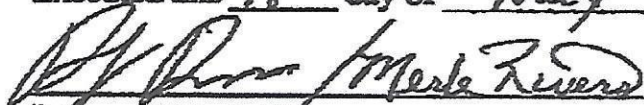

14. We have come to believe that we are being treated differently than anyone else. This is nothing more than retaliation for appealing a matter that should not have been decided by the magistrate in the first place. We certainly have the right to pay what was past due while the evictions were halted.

15. Because of the magistrate's actions, Rufus Rivers had to take temporary work to make certain we could take on the added expense of the rental payments. The temporary work ended March 11, 2020.

16. We believe the magistrate's office is acting in bad faith as agents for the Plaintiff and his counsel against us senior citizens with chronic medical issues.

I declare that, to the best of our knowledge and belief, the information herein is true, correct, and complete.

Executed this 18th day of May, 2020.

Rufus and Merle Rivers

NOTARY ACKNOWLEDGMENT

STATE OF SOUTH CAROLINA, COUNTY OF ORANGEBURG, ss:

The foregoing Affidavit was acknowledged before me this 18th day of May, 2020, by Rufus and Merle Rivers, who, being first duly sworn on oath according to law, deposes and says that he/she has read the foregoing Affidavit subscribed by him/her, and that the matters stated herein are true to the best of his/her information, knowledge and belief.
