I have received a letter dated 03/13/2022

This is the first correspondence I have received requesting information that has been requested. I still live at this address and Mr. Jenkins had closed the eviction case with the magistrate court., however I still wanted to proceed with ruling. Being that I still reside at the address. My letters from the SC Court of appeals has been intercepted by Mr. Jenkins and I have not received them. I am asking that the court please allow me to present the information requested. I did order the transcript. Can you please allow me to resubmit information.

Thank you
Melissa Fleetwood
