Hello Mrs. Kitchens

I am writing you in reference to the letter I sent to you about recalling the remittitur. AS I stated in my letter to you I was never given a chance to ask for a rehearing. Your courts ruled on my case in Feb. and I did not receive any knowledge of ruling until April 30th. I was not given "due process" which is a violation of my 14th Amendment. So again I am asking the courts to recall the remittitur and rehear my case or give me the status of my case so I will know what I need to do next. I Thank you and await your reply.

Sincerely

Reginald Spellman
