S.C. SUPREME COURT

Dear Supreme Court of SC

① I'm going to need to request a extension on my Pro se response due to my spine damage and kidney pains due to my recent surgery. I'm only able to sit up on my lower back for only a few minutes a day, I still need my surgery that the state has denied me since my Trial. I've also been told im going to get my surgery on my spine this month.

② I still need to know how to file a fraud on the court motion.

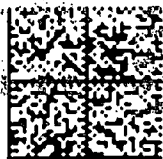

③ How can I prove my claims have merit if im not given money for a investigator to show my claims do have merit. This information will be very important to my Pro se response.

P.S Thank you
for responding so
quickly, and making
copy of my mail and returning.
