RE: William S. Helmly, President & CEO, Home Telecom Company,  
Respondent, v. Joe Clemons, Appellant, Case No. 2022-CP-082427

Dear Ms. Kitchings [Ms. Howard]:

Enclosed for filing is a notice of appeal in the above case. Also enclosed are the following:

- (1) Proof of service of the notice of appeal on the respondent.
- (2) A copy of the order which is to be challenged on appeal.
- (3) A filing fee of \$250.00
- (4) This appeal is being filed with the Supreme Court because at Lower Court, the Judge did not have a good understanding of the truth and facts of this because Judge Roger Young has been the judge in a previously filed case concerning the same things but had a difference compliant and some different exhibits, case #2021-CP-08-02709 filed 12-31-2021. In this particular case 2022-CP-08-02427, the new Judge Daniel Coble did not and could not review the things that I had filed, because Judge Coble did not come to the courthouse where all papers and a CD were filed, because even if the judge has them e-mailed to him the scan copies were not legible and he could not listen to the CD that was more proof in helping him get a good understanding of the case. Also, the Lawyer that was at the hearing with me before Judge Roger Young is not the same lawyer that has been writing and informing judge Coble. For these reasons and much more I believe this case needs to be before the appellate court.
