To, Whom it may concern

My Names is Paul Chandler, I had a Jury trial from May 15, 16, 2013 and was sentence on May 20, 2013. In Aiken County in the Court of Honorable Early III. The reason I am writing you today is I am concern about my Appeal. I would like to know if a motion for a appeal been filed for me? If so how long would it be before I hear anything from my appeal? Any information you can send me will appreciated. Thank you for your time.
