Yes, this is just one among other receipts Atty. Lir Derieg signed himself, yet threatened to drop me if I did not show up in court with thousands more. The papers he filed and served on me removing himself as my atty. were a blatant lie. I was only supposed to even be there on Feb. 14 for roll call and to deal with him. I fully intended to ask the judge to allow me time to retain a reputable atty. until he approached me and advised me charges would be dropped before my hearing the next week as soon as I got a paper to him. He outright lied to me and the judge in court and purposely tried to make me look bad to the Judge. He was disoriented, confusing me and out of nowhere then intimidating me. The cameras will show when he walked up and told me about my charges being dropped and then how he later acted. Thank you. I tried to fax Friday but it did not go through.
