- ☐ Feb 7, 2023 was NOT the the day i sent my original motion to reinstate it was sent 1/27/23 before 2/2/23 when the remittitur was sent to Greenville county clerk so the court has to according to rule 221(b) the appellate court still has jurisdiction over the cases and it should not have sent the remittitur to lower court Greenville county clerk
- ☐ The deficiency listed WAS corrected as directed in Dec 2, 2022 on Dec 8 when i served "Form 1 to all of defendants " and "Form 7 to SC court of Appeals " **this was a clerical error and failure to understand how to correct deficiency which is not grounds for failure to comply which is Failure to Comply means a determined lack of compliance, as defined above, with applicable administrative rules, statutes, contractual requirements** which i did comply to the best of my ability i did not comprehend the deficiency until 1/25 /23 via phone all the defendant recieved their motions in timley mannors this was clerical error which did not affect the defendants and it was corrected 1/27/23
- ☐ It's not my fault the court was unclear in their directions via paper until 1/ 25 / 23 via phone which i have proof of and i produced 1/27/23 before the remittitur was sent 2/ 2 /23

Clerical error means an error in the preparation, assembly, or submission of a document which results when a person intends to do one thing but does something else.

What does comply with the court mean?

: to conform, submit, or adapt (as to a regulation or to another's wishes) as required or requested.

This is **NOT** grounds for **Involuntary Dismissal to be upheld** and **Remittitur to be sent** the Court must send this cases back to Appellate court due to motion to reinstate was sent 1/27/23 before the remittire 2/2/23 the court is not complying with **Rule221(b)**f a petition for rehearing is received before the remittitur is sent, the remittitur shall not be sent pending disposition of the petition by the court. if they do not sent the cases back the courts are not in compliance with the rules of the Court Procedure

What does compliance mean in court?

Compliance with something, for example a law, treaty, or agreement means **doing what you are required or expected to do.**

 SW

Appendix **D**

44

SW

If a petition for rehearing is received before the remittitur is sent, **the remittitur shall not be sent pending disposition of the petition by the court**

I sent my motion to reinstate **FRI 1/ 27 /23 via mail** i received the correct instructions to fix that motion **1/25/23 via phone** the **remittitur was sent 2/2/23** i am filing papers via mail the court has to allow time for my paper to be received via mail my motion to reinstate was sent before the remittitur was sent 6 days before the remittire was sent

I had **Good cause shown** it was harassment and intimidation and threats of the lower courts who told me not to come back to the Greenville County Clerk and this was following a incident in which i was assaulted which is why i wasn't in the 30 day time frame due to this

(So with judicial bias and Judicial misconduct being a concern of mine why would South Carolina Court of Appeals even consider remitting my cases back to lower court this is judicial bias on the court of appeal behalf in favor of Greenville county clerk(who are my defendants and a conflict of interest)

I am asking that my hearing be sent to the Supreme Court of Appeals due South Carolina Appellate Court not following appellate orders **Rule 221(b)** and seeming bias and discrimination towards me and not stepping in the prevent obvious **CONFLICT OF INTEREST JUDICIAL BIAS** in which the defendants Greenville County Clerk is and i raised concern multiple times)

Just because i didn't perfect it was due to lack of understanding not lack of compliance because i produced compliance every letter i received to produce perfected deficiencies

The court should have stated was not clear in wat is was asking for and it contradicted the letter sent Dec 2 ,2022 " Upon reviewing your motion to reinstate " & listening deficiencies with two points made

- asking for \$50.00
- **And proof of service in the format shown by form 7 SCACR**

☐ **In which both i produced to my understanding and perfected 1/25/23**

RULE 221
REHEARING AND REMITTITUR

(a) **Rehearing.** Petitions for rehearing must be actually received by the appellate court no later than fifteen (15) days after the filing of the opinion, order, judgment, or decree of the court. A petition for rehearing shall be in accordance with Rule 240, and shall state with particularity the points supposed to have been overlooked or misapprehended by the court. No return to a petition for rehearing may be filed unless requested by the appellate court. Ordinarily, however, rehearing will not be granted in the absence of such a request. No petition for rehearing shall be allowed from an order denying a petition for a writ of certiorari under Rule 242, SCACR, or declining to entertain a matter under Rule 245, SCACR.

(b) **Remittitur.** The remittitur shall contain a copy of the judgment of the appellate court, shall be sealed with the seal and signed by the clerk of the court, and unless otherwise ordered by the court shall not be sent to the lower court or administrative tribunal until fifteen (15) days have elapsed (the day of filing being excluded) since the filing of the opinion, order, judgment, or decree of the court finally disposing of the appeal. If a petition for rehearing is received before the remittitur is sent, the remittitur shall not be sent pending disposition of the petition by the court. Where a petition for rehearing has been denied, the Court of Appeals shall not send the remittitur to the lower court or administrative tribunal until the time to petition for a writ of certiorari under Rule 242(c) has expired. If a petition for writ of certiorari is filed, the Court of Appeals shall not send the remittitur until notified that the petition has been denied. If the writ is granted by the Supreme Court, the Court of Appeals shall not send the remittitur.

(c) **Rehearing of Motions.** The appellate court will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal.

Last amended by Order dated April 29, 2020.

**RULE 260
DISMISSAL AND REINSTATEMENT**

(a) **Involuntary Dismissal and Reinstatement.** Whenever it appears that an appellant or a petitioner has failed to comply with the requirements of these Rules, the clerk shall issue an order of dismissal, which shall have the same force and effect as an order of the appellate court. A case shall not be reinstated except by leave of the court, upon good cause shown, after notice to all parties. The clerk shall remit the case to the lower court or administrative tribunal in accordance with Rule 221 unless a motion to reinstate the appeal has been actually received by the court within fifteen (15) days of filing of the order of dismissal (the day of filing being excluded).

(b) **Agreed Dismissal.** If the parties to an appeal or other proceeding shall sign and file with the clerk of the appellate court an agreement that the proceeding be dismissed, the appellate court may enter an order of dismissal. The agreement may contain a provision altering the costs to be assessed under Rule 222 and/or other settlement terms subject to the provisions of Rule 261. An agreement that the proceeding be dismissed need not be in the form of a motion unless the parties request that the appellate court alter the costs assessed; approve a settlement agreement; modify the requirements of an Appellate Court Rule; or vacate a prior order, opinion, or judgment.

(c) **Withdrawal.** An appeal or other proceeding may be dismissed on motion of the appellant or petitioner upon such terms as may be fixed by the court.

Last amended by Order dated May 1, 2018.
