Re: Trident Medical Center v. SCDHEC (Medical University)(2)
Appellate Case No. 2020-001072

Dear Counsel:

In preparing to consider this case it has come to the Court's attention that the General Assembly is considering a bill to amend the State Certificate of Need and Health Facility Licensure Act. To aid in scheduling, we request that the parties confer and advise the Court within ten (10) days whether they wish the Court to proceed with the review of the case or whether the Court should postpone its review until the fall of 2023. If the parties are able to reach agreement, the parties may advise the Court of their position via a joint letter. If the parties do not agree on the appropriate course for the Court to take with respect to the hearing, separate letters will be sufficient.

Very truly yours,

CLERK
