Shameful, tyrannical, corrupt, anti-American, unconstitutional, and repulsive are the words that come to mind. Don't all elected officials, and law enforcement individuals take an oath to uphold the constitution and protect it, and the American people, from enemies, foreign and domestic? I do not see that here. I see the public servants of the People displaying their disdain for the citizens and behaving as the enemy of the people. And I don't want to hear, "we were just following orders" or "we were told to do this by our superiors". That is bunk. Your duty is to the constitution and to the citizens of this constitutional republic. Remember, "The only thing necessary for evil to triumph, is for good men (and women) to do nothing". Or to say, "do you need more guys", as 5 police officers are not sufficient to tackle and restrain a 75 year old citizen.

The Bluffton "state of mind" is currently insanity. Stop this. The world is seeing this. This country has already been turned into a banana republic by corrupt politicians, who despise our constitution, flagrantly abuse their seats of power, tax and spend the citizens into poverty, control a two-tiered justice system, permit invaders to enter our country by not protecting our sovereign borders. If we want to restore our country, then this must start at the local level, with you and us. Respect and protect the citizens,

uphold our constitution, be transparent, engage with the citizens through public discourse, debate and free-speech.

Skip Hoagland, has as much right as anyone to speak his mind, to criticize elected officials, to point to a chronic lack of transparency, and to call out those he feels have acted in bad faith. You elected officials to whom he points, if you have evidence to prove him wrong, then do so. Silencing him, rather than refuting him with facts, may make the rest of us think you have something to hide.

Respectfully,
Peter M. Buonaiuto, Sr. (a.k.a. Peter "B")

Subject: Video of Skip Hoagland violent removal from Bluffton Town Hall for his 3 min public comments ...shocking

See the attached video, link below, of Skip Hoagland being violently removed this evening from the Bluffton Town Hall Council Meeting by local police during public comment.

Videos below..... TikTok, Island Packet and Vimeo. Also attached is the illegal public comment sheet they forced me to sign to speak, and the citation they gave me after removing and violating me from Town Hall. Terry Finger said our Poa was not legal as it needed to be witnessed and notarized. We will have that Poa doc for next April 11 Bluffton Town Council meeting. We are asking for many citizens to attend this next meeting to see what happens.

The Bluffton Police were summoned at Mayor/ Realtor Lisa Sulka direction, after she claimed she had the power to stop my three minute civil, professional public comment. Apparently, citizen's speech in Bluffton SC is not protected by the 1st Amendment under our Constitution and federal law. The question is, how did a SC judge and jury decide they could legally do this? Also, how did Sulka and a Murdaugh lawyer win a 50 million dollar judgement against me, after a judge lied and said he saw enough evidence and law to allow her lawsuit to proceed?

AG Wilson, what do you think about this video, and what do you think should result from this? To my knowledge, this is the first time in state history this has happened with this level of violence. And yes, after being hurled into those chairs my back, knee and shoulder hurt. I am not looking for money or hiring an ambulance chasing lawyer, I am looking for justice and protection by Sheriff Tanner, the FBI, AG and SLED when I speak at the Bluffton Town Council meeting next month. This level of excessive abuse should not be perpetrated against anyone, never mind a 75 year old who just wants to participate in the public comment portion of a government meeting. Lisa Sulka, her town lawyer, and town manager are in big trouble for ordering my removal by these officers who used excessive, violent force that is hard to imagine is possible, even in SC.

Usually one only sees this kind of violence against citizens in China, Russian and Iran (in North Korea they just shoot you). By the way, look at about the thirteen second mark on the video; one of the officer's guns even fell out of his holster(!). Then, at the very end, a tall gentleman (a town employee I understand) hands the gun back to the officer in the hallway. You can see this very clearly in slow motion.

And they had the audacity afterward to hand me a citation and court appearance for disorderly conduct etc. So who violated who, what is my fine, and what will be the result of all this insanity and lawlessness and abuse to a citizen?

Sheriff Tanner and AG Alan Wilson here is the latest Murdaugh without the Murders in Beaufort County. Mayor Sulka hired Murdaugh lawyers to sue me, my innocent wife and our insurance company. They won 53 million judgement against me that is nulla bona (uncollectible) as Sheriff Tanner could not find any assets I own in SC. Murdaugh lawyers Parker and Henderson have just filed another lawsuit against me, my wife and our insurance company, claiming we all committed conspiracy to hide the 53 million to avoid paying the 53 million.

My lawyers are asking for a retrial on the 53 million judgement case claiming it was not only a frivolous, malicious defamation case, but it had no supporting evidence or laws....and worse a judge who claimed he saw enough law and evidence for the case to go to trial...which was a lie and does not exist. In the retrial my lawyer will seek 50 million in damages for me, my innocent wife and our insurance company. We are the ones who were damaged and have all supporting laws and evidence on our side. We can factually prove all my lawsuits involving Ms Sulka and Murdaugh lawyers... factually violated my 1st Amendment rights. We can also prove their defamation claims were used and schemed to attempt to silence my criticism of local government corruption.

When I said to the police just let me finish my own 3 min comments vs the Poa, they said no, you must leave the building and will not be allowed to speak. It seems with their new sign in sheet they planned on even stopping my own 3 min public comments....and a Poa was not the entire issue.

Sheriff Tanner, I called your Beaufort County police department and gave the officer a full report, with witness information. What do you and Alan Wilson suggest I do? Please know I do not blame the officers who were just taking orders, and who likely feared losing their jobs if they refused.

As you know, I am a big supporter of the police and our 1st and 2nd Amendment rights. This was an abuse not just to me but to the officers as well, whom Sulka used to break the law. Clearly, Sulka did not listen to your advice when you met with her and other local officials. Below is the article and video of that meeting.

I sued her once and lost, seems like local judges, Clerk of Courts and the Murdaugh law firm will attempt to say and do anything to prevent me from winning and collect a 53 million judgement from me picture below. To my knowledge, this level of police force has never been used against an innocent citizen for simply exercising their right to address local government during their public comment. And with a gun landing on me, as you can see at the thirteen second mark on the attached recording of my removal, then at end a tall man hands the officer back his gun. Imagine, an officer leaving his gun laying on the floor of Council Chambers. About as crazy as it gets. What a mess, and totally out of control.

Mr Perry I expect you, and all Beaufort County officials to fully comply to my Atax Foia for all Dmo Chamber, and all tax funded non profits detailed accounting..... and agree to comply to all state and federal laws I sent you by next council meeting. Mr Perry, many angry tax payers expect you and the town lawyers to comply..... your honest public service is appreciated, not dishonest. Mr Perry we all expect you to provide the

80% of receipts and invoices you said the Chamber showed you. I assume this was your buddy Bill Miles, or Cpa Ray Deal.

Explain why they showed you this accounting , prior to you being elected, when no other elected official could get access ? Bill Miles told last 2 Mayors the accounting was his secret sauce and none of their business.

Mr Perry fact is you did not see 80% of anything and lied...correct? You understand lying under oath, especially a Mayor is perjury and a crime. We already have Lisa Sulka's perjury and part of our lawsuits against her, as well as Town of Hilton Head , Kim Likins and past town lawyer Gregg Alford coming. Why was Alford past law partner Coltrane hired to keep the legal over billing moving forward. Why no procurement or opportunity for other lawyers and law firms?

Mr Perry your deposition and questioning by state authorities, should be very interesting. Have you talked to past Mayors McCann and David Bennett about all this ongoing Chamber corruption? They both will also be questioned.

Mr. Perry, for your information the Municipal Association of South Carolina (MASC) is nothing more than a Chamber wanna be, a 501(c)(4) "*non-profit*", top heavy with overpaid staff, just like Hilton Head Chamber /Bill Miles's gaggle of high priced pencil pushers. In fact, a glance at MASC's recent filing shows their combined salaries, for just eleven employees, **is almost two million dollars**. So don't waste the taxpayers time quoting an overpriced lobbying group, whose sole purpose is:

"to offer the services, programs and tools to provide SC Municipalities the ability to optimize operations".

Does that sound like an organization just looking out for the little guy? At the end of the day it's about doing what is right. And the Town's reliance on a lobbying group, a "*non-profit*" no less, to provide guidance to the rest of us on transparency and accountability of public expenditures is just laughable.

I would like to apologize again for the mix up on agenda comments versus public comments, a few of us just got confused. The POA was only intended tonight for the three minute public comment section. You just need to be clear in the wording. Big night and victory for justice in SC, thanks to our SCwatchdog.com legal team, another first to improve the Council meeting system, rules and laws. We have now totally stopped violations to citizens POA , and free speech under the 1st Amendment...FOIA is next.

Next is Hilton Head Town Council ATAX accounting FOIA, to see where and how Bill Miles and the Hilton Head Bluffton Chamber spends millions of OUR tax money.... A "non-profit" 501(c)(6) organization, illegally using millions in tax funds in secret for the last 35 years, needs to end.

Mr. Perry you said you saw 80% of this Chamber accounting, by whom? You will never last as Mayor being this corrupt. And please be prepared to come clean about the Chamber's finances at the next Council meeting, since you made the remarkable claim to have actually seen the Chamber accounting. Mr Perry did you see the accounting for over 1.5 in Atax funds and illegal profits Bill Miles took to Canada.

The Sc Supreme Court said the Town of Hilton Head needs to provide this Chamber tax accounting.

Please do not tell me, Masc (Municipal association of SC) and it's lying lawyer Danny Crowe has more authority than the SC Supreme Court and our local Sheriff.

Thanks

Ms Edwards claims sex for hire by Alex Murdaugh, Mayor Tecklenburg and his brother.

SCwatchdog.com wants to confirm these allegations and interview Ms Edwards on all these claims. Nothing surprises me in SC.

Interesting the lawsuit I just lost to Mayor Lisa Sulka represented by her lawyer Hugh Buyke and my lawyer Jim Brown, who committed malpractice, was heard by Judge Bond who admitted he was the cousin of Mayor Tecklenburg. Judge Bond only allowed the dirt and drama to be introduced to the Jury, not all my evidence on 1st Amendment and Sheriff Tanner testimony on my behalf. It was a predetermined kangaroo court. The Jury selection for my case already predetermined was a circus. I am sure our Clerk of courts already knew her friends Judge Bond and Mayor Lisa Sulka were going to win. What a sham and this case needs to be retried on facts and laws, not dirt and lies. They all need to be investigated by the FBI

Will see everyone at next Bluffton Town Council meetings to highly condemn and expose crooked Lisa Sulka and all her crooked town lawyer Terry Finger and past town manager Marc Orlando....who showed up at her trial to also lie on Sulka's behalf . I lost this case to all dirt not laws. It's another judicial travesty.

We will ask the 50 million judgement lawsuit with Murdaugh lawyers is retried for their frivolous malicious lawsuits against me, and my wife and insurance company, and are all investigated by the FBI and retried. This includes the Kim Likins case and criminal illegal use of 200k in tax money to sue me privately to

profit Likins and her lawyer Gregg Alford and others.
They all should have be arrested for this

I have proven, Kim Likins, Lisa Sulka and the SC judges who ruled against the law had no supporting laws and had no evidence. All my speeches cannot be stopped under my free speech and 1st Amendment at all future Bluffton Town council meetings. In other words the cases that I lost and now sc standing laws, can not be legally enforced. Does not get any worse

Again Lisa Sulka's \$50 million is a USA Record judgement against me. The Murdaugh lawyers and this case will be forced to be retried ,and Sulka owes me \$50 million for violating my 1st amendment vs her frivolous defamation claim. Also, she cannot legally remove citizens from their 3-minute comments by police force based on comments she thinks is disrespectful vs honest criticism.

Come watch me address her corruption at all Bluffton Town council meetings. Let's see if she attempts to engage her police, and abuse these young officers to break the law. They only did so in fear of losing their jobs. Police are here to force law compliance, not take orders to break laws from a megalomaniac unstable Mayor / Realestste agent, who just wants to sell more Realestate, and her town lawyer Finger bill more legal fees to his builder, developer and Realestate clients

I will go back to Bluffton Town council for all future meetings and 3-minute comments to address Lisa Sulka and her crooked town lawyer Terry Finger and prove their lies, fraud contracts and illegal use of taxpayers money.

I challenge Ms Sulka to file another Murdaugh ambulance chasing lawsuit against me, that I will also toss in the garbage can with all the rest. What is the Murdaugh Lawyer, Judge and a Jury going to do - award Lying perjury Sulka another \$50 million judgement against me? It's massive SC and Beaufort County insanity and corruption on the highest level.

How did a jury create a 50 million verdict on their own ? Who planted this seed ? What juror first mentioned this 50millionDid Jeri Roseneau Clerk of Courts plant and scheme this with the head juror leader ? How is this possible under any situation? FBI needs to question this

entire jury and lead juror on their connections to Murdaugh and Jeri Roseneau.

I challenge Sulka to try and remove me or any citizen by police force and violate their 1st Amendment again. I would love to file another lawsuit against Sulka, and this time win 50 million on law, not her lawyers lies and dirt and judge's malpractice misconduct and malfeasance.

Soon we will see how my lawsuit ends up against Judge Bonds' cousin, Charleston Mayor Tecklenburg for his same violations as Lisa Sulka and Town of Bluffton for removing me from my 3-minute public comments by police force. These people must be seriously out of touch with reality and any rule of law. This level of megalomaniac behavior will not be tolerated by me and many other taxpayers.

I have lost every lawsuit in SC and all must be retried, even judges lied, FBI lied, Sled lied, AG Wilson lied, IrsDor lied, and the judge lied and said they saw enough evidence and supporting laws to proceed to trial. This case was baton passed to 5 judges who all allowed this frivolous malicious case to proceed, refused to hear my perjury charge against Sulka. Yes we have a tape recording of the FBI lying and proof AG Alan Wilson lied and seems our corrupt AG even controls all the federal agencies to lie. Sc is in a law crisis

Again not one single lawyer or judge can produce any supporting laws or evidence on why I have lost all of my cases in SC. I offer a \$1 million reward check to them if they can.

What a cesspool of justice we have ended up with in SC. The root cause is because only two states allow judges to be appointed by their legislator lawyer buddies, SC and VA, and not duly elected. Good news they will never win against me or SCwatchdog.com team in SC. We will keep exposing all these highly crooked people we trusted and failed Sc citizens

Let's see how they can win and collect 50 million from me, use this case as a laboratory rat test for all my other 10 cases lost to SC injustice and malicious misconduct and malfeasance.

Let's see what AG, FBI, Irs, Sled , all lawyers, Judges and even the Supreme Court does

The big question...as an extreme example is how did a 53 million judgement result against Skip Hoagland with no law and evidence? And fact I never violated any civil laws by refusing to defend against this frivolous case,

How did I lose all my cases and how did I lose another case where official's criminally used 200k in tax funds to sue me ?

How is this possible this could be possible and many so bold and blatant to even attempt all this and think they would escape justice?

Thanks

SCwatchdog.com wants the facts not the dirt. We want the names of judges and any others involved. The old saying still holds true....
"Sc too small for a state, to big for an insane asylum".
We must clean up this SC and Beaufort County cesspool.

Issue #2 - March 6,
2023

Will Hilton Head Town
Council Get Out From
Under The County's
Thumb?
Understanding and
Repairing the Route
278 Corridor Problem
There have been many
words written about
this project, but overall
issues are poorly
understood. According
to SCDOT's Fall 2019

Newsletter, the goals of the project were to:

1. Address structural deficiencies at the existing eastbound Mackay Creek bridge
2. Increase capacity and reduce congestion within the project limits
3. Review all proposed alternatives
4. Evaluate potential impacts to the natural and human environment
5. Focus on community involvement and communication

The project limits were defined as up to point C on the map above.

Understanding and Repairing the Route 278 Corridor Problem
Many believe that the current project will NOT meet these goals, despite its high and growing cost. Key points of difference (no priority intended) include:

- •
- •
- •
- •
-

Failure to cover all the congestion points including efficient links to/from the Cross Island Parkway (CIP) and Local 278 will result in a high-capacity funnel into a traffic pileup.

Most of the available funds will be spent on the bridges, with insufficient attention to major issues

downstream, as shown on the map.

There are missing and hidden parts that have not been included in the calculations and design.

There may be a view that the missing and hidden parts can be tacked on later. That may be correct for phased construction, however the design and optimization part of the project must include the full scope (see figure above) at the outset.

Other alternatives have not been sufficiently and transparently explored.

There appears to be too little attention placed on safety, including public safety. E.g., How are crosswalks handled?

No one has a copy of the final plan, including what parts were accepted, modified or rejected.

A Backdoor FONSI application appears to be underway using data that Citizens have not been permitted to view or comment on. This is outrageous!

Considering the above, and despite many meetings, the goal of community involvement and communication has been only "window dressing".

These issues could have been rapidly and efficiently addressed

starting in 2020 when large numbers of Citizens brought them up. It was recommended by Citizens that an Independent Study of the project and SCDOT plans be conducted by outside engineers to determine if the identified issues had merit, and what could be done about them. But Beaufort County Council (led by a rogue Council Member who controlled the project) diverted and stonewalled all efforts to do so. Over a 4-day period, including a weekend, he ramrodded through a neutered SHAM analysis done by a County related firm, so that the Citizen concerns were deliberately excluded. (Review #1.)

His efforts continued until 2022, when his constituents fired him. (After losing the election, he is quoted by the 6/13/22 Island Packet as saying that his guiding principles include: "Vengeance is mine, I will repay.") Thus, the damage he did continued for the rest of his term to the end of 2022 – a very critical period. As a result, there is a profound lack of understanding of the project by Beaufort County Council (BCC),

likely furthered by over-reliance on, and contamination by, this Councilperson. For example:

- BCC members stick their head in the sand regarding the known issues and ways to rapidly address them. They appear to emphasize “getting on with it” rather than a determination to see IF what they are “getting on with” will actually work, where and why it will not, and how to fix it.
- Some BCC members emphasize the need for the project to shorten the commute time for their worker constituents to/from HHI. That is a valid and fair goal, but they fail to understand that the current plan’s problems (and 4-5 year construction interval) may actually lengthen that commute time due to the 5 poorly studied congestion points.
- An Independent Study could provide early warning of problems (as described above) so that they could be addressed before they become major bottlenecks in the Federal review process, but BCC prefers to just barge ahead, ignoring warnings. This will delay the project. Citizens (by now exceeding 10,000 on a petition) continued to emphasize the need for

an Independent Study. The project needs the Town's Municipal Consent and free land donations, as well as having massive impact on the North-end, so Citizens requested the Town to do proper Due Diligence by sponsoring their own Independent Study. Furthermore, a project of this size, cost and impact, designed by what appears to be a single lead company, urgently needs an independent second opinion. BCC has done everything in its power to prevent that. In early Spring 2022, Citizens working with Senator Davis created a Statement of Work (SOW) for the needed Due Diligence - Independent Study. It appeared that (at workshops between the Town and County in Spring 2022) the County concurred in principle. But on 4/4/22 the County sent a (poorly received) Ultimatum to the Town negating that. After the poor reception of that Ultimatum, the County in September 2022 formulated a plan and SOW for another watered down so called Independent Review (#2). That review used the same diversionary tactics as they had in the first Review in 2020, and had many of the same problems - It

avoided asking the right questions and prohibited meaningful Citizen input and oversight. Thus, Citizens called it yet another SHAM and waste of \$200,000.

In addition to the observations above, particularly on the lack of project knowledge by BCC, readers should watch the video of Agenda Item 25 of BCC's 9/26/22 meeting. They will note three major things:

- That even Senator Davis is perplexed by the County's move away from a proper study as they seemingly agreed to in the Town – County workshops of Spring 2022.

- The lack of respect that some County Council members (Passiment, McElynn) and Staff (Greenway) have for the input and concerns of the Citizens of HHI.

- Overall, BCC discussion of this topic including the exclusion of Citizen comments, resembles a stacked tribunal as one might find in Russia or North Korea.

If BCC had any interest in saving time and money, developing a working plan, and preserving meaningful involvement by Citizens, they would stop their Review #2. It is yet another time and

money wasting SHAM designed to retain County control while diverting effort from a proper and much needed Independent Study.

Nonetheless, on 10/4/22 the County succeeded in convincing the outgoing Town Council to sign an MOA (Memorandum of Agreement) to support their review (#2), with the Town also doing its own Independent Study, which would include Citizens – prohibited by the County. That County MOA was shamefully thrust onto a departing lame-duck Town Council, only 35 days before the election. In a close 4:3 Town Council (TC) vote for the MOA Resolution, only 1 of the 4 voting for it remains on TC!

Unfortunately, FHWA, SCDOT and BCC appear to be using that (barely passed) MOA as a pass to engage in a Backdoor FONSI without Citizen input, comment or access to documents! It also appears to be contaminating Town Staff.

That brings us to the present. The Town has the ability (with its own Independent Study) to transparently do the right thing, involve Citizens via a fairly constituted and involved Advisory Committee, and charter

a SOW that will answer the needed questions over the proper scope. Timing is important, and members of the Technical Working Group (TWG), who have been studying this project for years, have written volunteering their time to work with the Town to get the needed SOW and Analysis underway rapidly.

Some refer to this Town Independent Study as the third independent review, but that is incorrect!

- The County's review (#1) was not Independent – It used a County contractor (HDR), with help from a Town contractor (MKSK). Its SOW was tightly constrained, created and pushed through BCC in 4 days by Mr. Rodman, without public review. It was designed to be a diversionary tactic applied over an overly narrow framework. Other background documents related to it belittle Citizen input.

- The County's review (#2) follows the pattern of #1, uses a County controlled SOW, does not ask the proper questions, or look at other options, and prohibits Citizen input and oversight. It has not started yet so should be stopped, saving taxpayers

\$200,000, time, and the diversion of expertise.

- The Town's Independent Study (incorrectly called #3), assuming that BCC does not destroy or divert it once again, will be the first truly Independent Study of this project - started almost 3 years after the need for it was first identified. The Town can become the hero to rescue this project, and does not have to be constrained by the 10/4/22 MOA. Or, the Town can let itself be placed under BCC's thumb once again.

The route 278 Corridor project started with admirable goals but became contaminated by avoidance of the scientific method and proper metrics, compounded by unethical back door actions by some on County Council. As a result, this project could cause unnecessary environmental impact with no gain, risk public safety, waste time, opportunity and public funds, and cause embarrassment for all who touch it without seeking a cure.

Hopefully, Town Council will take the lead in repairing these problems. Over 10,000 petition signers are watching.
