Clerk,

I am finishing up final briefs in a case before the Court Of Appeals, and have a question. Should the date shown on the final briefs be the current date or the date the initial brief was filed? I ask because Rule 211 says they should be identical in every respect except grammar errors and references to the Record.

Also, should the caption be changed in any way so as to reflect that his is a "final" brief?

Thanks for Your help.
