and one other things. I overestimated the page numbers. So I just wanted to go ahead and apologize for getting too much money from you. When I finish this, I will return it to you.

Yes the best you can do is fine. There were two other female attorneys who spoke, One began speaking from the back of the room and may not have been picked up very well. Whatever you can do is fine. Thanks for reaching out to let me know this.

Good afternoon, Mr. Henry.

I did want to let you know that I have received your payment. I have started working on this and all I have to type this by is the audio that was recorded in the courtroom that day. This audio is poor quality.

So, I just wanted to check with you on how you wanted to proceed. Do you want me to give you a transcript for what I can hear?

I can hear most of what you say, all of what the Court says, but not too much of what the lawyer on the other side said. Just let me know what you want me to do.

Mr. Henry,

I have been asked by Court Administration to prepare the above referenced transcript you requested.

I wanted to let you know the fees for transcripts. The cost is \$4.25 per page for delivery within 60 days.

I can only give you an estimate of the number of pages this transcript could be. It looks like the hearing lasted for approximately 30 minutes. So, that would be about 40 pages. So, if you wish to receive this transcript, you would need to send \$170.00 to my address of PO Box 819 Reidville, SC 29375 and I will prepare this transcript for you.
