RE: The State v. James B. Curry
Appellate Case No. 2022-001104

Dear Ms. Kitchens:

The initial brief of appellant and designation of matter in the above case are due to be served and filed with the Court today. However, due to my heavy work-load, I am requesting a thirty-day extension in which to serve and file this initial brief of appellant. The Court has granted one previous extension.

By copy of this email, I am asking William M. Blich, Jr., Esquire to forward consent to this request.

Please do not hesitate to contact me if you have any questions. Thank you for your assistance in this matter.

Sincerely,
