Mullen,

I hope you're doing well. As we discussed the other week, we are planning to file a motion to exceed the 50-page limit on briefs. We are planning to ask the Court for 115 pages, and I was hoping to get your consent to that page request. I know you have previously said that you consent to a page limit extension, but we had not yet quantified it.

I realize this is relatively short notice, but we would like to go ahead and file the motion today with your consent. Please let me know when you have a minute.

Thank you,  
Elizabeth
