MOTION TO BE RELIEVED AS COUNSEL

**SC Court of Appeals**

APPELLATE CASE NO.: 2023-000386

THE STATE OF SOUTH CAROLINA

RESPONDENT,

v.

ZY'TAWN K. CHILDS

APPELLANT.

COMES NOW THE undersigned attorney for the Defendant and moves this Honorable Court for an Order Relieving Counsel on the above listed matter. Counsel was informed by the family of the Appellant that private counsel would be retained to file the appeal and that they did not wish for counsel to file an appeal based upon the statements regarding retaining private counsel. It then came to the attention of counsel that Appellant filed an appeal on their own accord without notice to counsel who is now listed as counsel on the appeal. Based upon the fact that undersigned counsel had no notice of an appeal being filed by the Appellant and statements that private counsel would be retained instead to handle the appeal, the undersigned attorney now moves for an Order Relieving Counsel on the above listed matter.
