Dear Patricia A. Howard,

I represent John Alexander in 2018-CP-42-03181. Attached for service and filing please find the Appellant's Notice of Appeal and attached Final Order of Dismissal. This is a post-conviction relief case. My representation does not extent to handling the appeal of the case and therefore I have copied Robert Dudek of SCCID. I will forward to SCCID the necessary forms and documents to allow SCCID to evaluate the case for representation. Mr. Alexander is an inmate in the South Carolina Department of Corrections. He is being served with the documents as well and is aware that I will submit the appeal to SCCID for consideration of representation. As the case is being submitted to SCCID I will not request a transcript and request that the time to do so be stayed pending SCCID's decision on representation and hopefully engagement in the case. It is my understanding that no paper copy is required by the Supreme Court if electronic filing is effectuated. Please let me know if this is incorrect. The Clerk of Court for the Court of Common Pleas will receive a copy by mail, as will Mr. Alexander. It is my understanding that this will complete my obligation in regards to the appeal at this time. If I need to do anything else please let me know but I will not take further action on the appeal unless directed by your office or SCCID.

Respectfully,

J. Falkner Wilkes
