SC Court of Appeals

To whom It may concern,

My name is Kevin Fayson, Court Doc 2023-000210 I have summited and appeal against my Landlord, I have sent to appeal and motion as well. I am also asking that my filing fee be waived.

In my motion I explained the situation, my landlord and I had a disagreement and the police got called because he threw my property away. After this incident he verbally tried to evict me in front of Horry Count Police Department which they told him he could not do that, so he went to the courts and tried to get me evicted for non- payment of rent. If you are even a day behind in rent the locks the door to your unit and you can not get in until your rent has been paid, I see it all the time. If I owe this much back rent as he is claiming why is that my unit is open, and I haven't been locked out of it? I am asking to waive the filing fee because I wouldn't be in this position if he didn't throw my mini fridge and microwave into the dumpster and then tell me to go "fetch" it, I did call the police but that was honestly the right way to go about that. I am a renter yes and he is the landlord, but he cannot tell me to go "fetch" something that he threw in the garbage to begin with. Dave and I have never had any issues, my ac unit in my studio broke and it flooded my whole studio, I wasn't mad I know things like this can happen even though it ruined a lot of my stuff. Over \$3500 dollars' worth of equipment, we still had no bad feelings. I always pay my rent we are cordial to each other and speak when in each other's presence to this unexpected for him to treat me like this, I have been a tenet of his for over 2 years. May will be my 3rd year renting from Dave.

Thank you for your time in this matter it is greatly appreciated

Sincerely,

Kevin Fayson
