Clerk,

I filed a Record On Appeal for case number 2022-001437 with your office on 3/16/2023. The appellate court index shows that the Proof Of Service for the Record On Appeal has been filed in place of the actual Record. Please find a stamped copy of the Record On Appeal on this e-mail thread (stamped copy was returned to Me by Your office on 3/16/2023), and correct this error ASAP.

I am reliant on your office making correct filings in this case, so that I get a fair hearing. There have been too many errors in this case (as well as case another case sent to the Supreme Court). I, being a pro se Appellant, shouldn't be expected to have to check behind the Appellate and Supreme Court Clerks to prevent prejudicial handling of filings made in criminal appeals before South Carolina's courts. I only ask that the court handle the case fairly.

Thank You,

Johnathan Daniels

Clerk,

Please file the attached Record On Appeal (Part 2 of 2) and Proof Of Service for case number 2022-001437. Due to e-mail file size restrictions, the Record is split into "part 1" and "part 2." Part 2 is attached to this email and part 1 was attached to the previous email to your office.

Thanks,

Johnathan Daniels
