Clerk,

Thank you for making the requested changes. I see only one correction that remains to be made. Please make the following corrections in the Court Index for case # 2022-001437.

1. I sent a corrected Proof of Service (filed on April 4th, 2023), for the Record On Appeal (filed on March 16th, 2023). The corrected Proof Of Service Appears nowhere in the Court Index. Please include the corrected Proof Of Service for the Record On Appeal in the Court's Index.

I don't know if it should replace the previous filing or if it should be an additional filing. The issue is that it does not appear anywhere in the Court Index.

Thanks Again,

Johnathan Daniels

2. The Final Reply Brief Of Appellant, stamped on April 4th, 2023, does not appear in the Court Index. Instead there is an old email from March 27th, 2023 in it's place. Please include the Final Reply Brief Of Appellant.

3. I sent a Proof of Service for service of the Final Brief Of Appellant and Final Reply Brief Of Appellant on April 4th, 2023. The Proof Of Service appears nowhere in the Court Index. Please include the Proof Of Service for the Final Briefs.

Again, I am a Pro Se Appellant. I only want a fair hearing of this criminal appeal, and end which I believe will be difficult to achieve if all documents are not before the Court for consideration. Please make the requested corrections.

Thanks,

Johnathan Daniels
