Re: Appeal, and Current Danger

Dear Attorney Taylor Gilliam

I greatly appreciate what I saw written in the Appeal by you. I just want to clear up a few things as well as request an emergency hearing. Well not emergency because I don't want to rush anybody. I am ready to be heard though so that relief can be granted. In the last few words of my Appeal where it says Judge McIntosh order cannot stand and a hearing should be held for further briefing. Can we amend that to his order cannot stand and must be reversed? In the respondent's brief let us clear the matter on the record. For one I started college after my rights were violated not before plus I'm in College for Music Production so what does that have to do with being an attorney? A person going to school for Marine Biology can't be expected to pass the bar nor does that make him/her a lawyer nor does it make them capable of representing themselves in trial. The order should be reversed and the relief from the Constitutional violations should be granted in favor of the Plaintiff and their just isn't anyway around that, period! Please continue your greatness. Thank in advance. Mr. William T. Coleman (petitioner)
