Dear Clerk,

I believe that my transmittal email misstated that I sought to stay time to order the transcript. There was no evidentiary hearing and therefore it appears that no transcript will be ordered. As a result the time in which to file the petition and appendix started immediately upon filing of the notice of appeal. I am therefore enclosing a formal motion for filing and service by AIS email only requesting a stay for the filing of the petition and appendix pending the Court's ruling on the Rule 243

Explanation.

Jeff Wilkes
