The Petitioner, DAVID J MILLER respectfully brings  
this matter before the Court to request

motions for a trial, and others to attempt

(Emergency Appeal)

The Petitioner, David J Miller, respectfully brings this matter before the Court to request consideration for immediate relief, being discharge from imprisonment pursuant to Code 1976 § 17-23-90.

On March 30, 2023, the Petitioner appeared in Laurens County General Sessions Court and presented two motions in open court. The first was to be discharged pursuant to Code 1976 § 17-23-90. The Petitioner stated he filed direct motions for a fast and speedy trial in November and December of 2022 and again in January and March of 2023 and after five months the state has failed to indict, and therefore the Petitioner is entitled to discharge. The state presented no argument on the motion. The court denied the motion. I contend the court erred. I appeal the decision and ask this court for immediate discharge and order I + MY FIND IN THE BEST INTEREST OF JUSTICE
