Re: Donald R. Burr v. Pageland Police Department
Appellate Case No. 2022-001568

Dear Mr. Burr:

The Court is in receipt of your documents and money order that is presumed to be in response to the Court's deficiency letter dated March 28, 2023. The proof of service you provided states that you served the "notice of appeal" on respondent's counsel. The Court needs proof of service that you served your "motion to request to withdraw erroneous dismissal" which the Court construes as motion to withdraw the remittitur. The proof of service also needs to list the names and addresses of the opposing counsel that you served. These deficiencies must be corrected in their entirety within 10 days from the date of this letter or your motion will not be considered.

Very truly yours,

A handwritten signature in blue ink that reads "Catherine Hannissai, deputy".
