RE: Ex Parte: Robert Horne  
Appellate Case No. 2018-001294

Dear Ms. Kitchings:

Per the instruction of the Court in its January 12, 2023, Order granting the parties' Motion to Stay, please allow this letter to serve as a joint update from the parties on the status of the settlement process and appeal.

The underlying workers' compensation claim in this matter has been settled on a doubtful and disputed clincher basis, and the settlement documents have been filed with the South Carolina Workers' Compensation Commission. As such, the parties agree that the settlement extinguishes the appeal and that no party will take any further action in pursuing the appeal.

Should you have any questions regarding this letter, please do not hesitate to contact me. With kind regards, I am

Yours truly,

Allison P. Sullivan
